(FY2007 Appropriation Bill - Public Act 330 of 2006)

September 30, 2007

Section 219: (1) The department may contract with the Michigan public health institute for the design and implementation of projects and for other public health related activities prescribed in section 2611 of the public health code, 1978 PA 368, MCL 333.2611. The department may develop a master agreement with the institute to carry out these purposes for up to a 3-year period. The department shall report to the house of representatives and senate appropriations subcommittees on community health, the house and senate fiscal agencies, and the state budget director on or before November 1, 2006 and May 1, 2007 all of the following: (a) A detailed description of each funded project. (b) The amount allocated for each project, the appropriation line item from which the allocation is funded, and the source of financing for each project. (c) The expected project duration. (d) A detailed spending plan for each project, including a list of all subgrantees and the amount allocated to each subgrantee. (2) If a report required under subsection (1) is not received by the house of representatives and senate appropriations subcommittees on community health, the house and senate fiscal agencies, and the state budget director on or before the date specified for that report, the disbursement of funds to the Michigan public health institute under this section shall stop. The disbursement of those funds shall recommence when the overdue report is received. (3) On or before September 30, 2007, the department shall provide to the same parties listed in subsection (1) a copy of all reports, studies, and publications produced by the Michigan public health institute, its subcontractors, or the department with the funds appropriated in part 1 and allocated to the Michigan public health institute.
